VCE single subjects

Haileybury Pangea is a uniquely rewarding online school experience. Our world-class education uses proven teaching and learning methods to give senior school students the best possible opportunities for university pathways and future careers. Haileybury Pangea is Australia's leading private online school.

In 2023 the first cohort of Haileybury Pangea students completed the VCE with 23% of all students achieving an ATAR of 90 and above, placing them in the top 10% of Australia. 15% of students attained an ATAR of 95 and above, placing them in the top 5% and 69% attained an ATAR of 60 and above, placing them in top 40%.

Study VCE subjects

Haileybury Pangea gives students from any Victorian school the opportunity to access VCE subjects through a single subject study to complement their current school offering.

Studying at Haileybury Pangea

- 2 live lessons per week per VCE subject
- Self-paced learning per subject per week
- Individual attention through 1 on 1 access to teachers
- Live lessons delivered by Haileybury's brilliant teachers
- Student placement according to proficiency, not year level
- Access to a wide range of VCE subjects not offered at all schools

Creating educational success

Strong academic results are at the heart of our culture, and national rankings consistently rate Haileybury as one of Australia's leading private schools.

Haileybury's brilliant teachers

Innovative teaching methods and a firm focus on academic excellence inspire classroom learning, while a safe and supportive learning environment and strong community ethos help every student build confidence, connection and a strong sense of place.

Opening up university pathways

Students will be able to accelerate their VCE studies, allowing for higher VCE results and greater opportunities for course selection at Australian and global universities.

Proven structure and delivery

Haileybury has a long-standing digital strategy and proven success in online learning. Classes are teacher led, with additional resources integrating video, audio and interactive activities to engage and accelerate every student's learning.

Awarding-winning programs

Haileybury students are able to flourish because of the strong teaching and developmental framework we have in place. These awards acknowledge the outstanding staff and programs providing exceptional academic outcomes for students.
